

### *General*

- **When will changes begin to take place on campus?** The transition will take place in phases. In the first year of the new partnership guests can expect to see a new Market experience C-Store at The Breezeway and in Green Library along with a new food hall experience in Graham Center. 8<sup>th</sup> Street Campus Kitchen offers a variety of stations in an all you care to eat style of dining that every resident and non-resident student, faculty, staff and guest of FIU can enjoy. Over the course of the next year many more changes will begin happening across campus including new retail variety and retail refreshes that will further enhance the Panther Dining experience. To stay in tune with exactly what's going on please follow visit us online and follow us on social media:
