SEGMENT 2 – BLACK&WHITE

e-STUDIO[™]207L

In-house document production is bigger and better than ever before, thanks to the e-STUDIO206L. Able to go where larger MFPs would have never been considered, this smaller, more economical series makes document storage, management and production possible. There's also walk up printing, simply by plugging in a USB flash drive, and you can fill a paper tray on the fly, without halting operation. Even bigger features include a full 9' LCD Touch Screen and an optional capacity of up to 3,200 sheets.
