

Florida International University Contract

SEGMENT 6 – BLACK&WHITE

e-STUDIO™ 857

Advantages such as First Copy Out Times under 3.5 seconds, a 30 second warm-up time from standby, and color scanning speeds of 77 OPM are impressive, to be sure. Not to mention support of 110 lb. index from all drawers – which can also be duplexed . Three different finishers offer a 4,000 sheet capacity split between two trays. A 50 sheet finisher with a saddle stitch booklet mode lets you create booklets of up to 60 pages from 15 sheets of paper.
